Ms. Dorothy Zimmermann

Members Absent

1. Certification of Notice Posted for the Meeting

Posting for the meeting was confirmed by Chancellor May.

2. Presentation of Comprehensive Annual Financial Report for the District and Richland Collegiate High School and Single Audit Report of Federal and State Awards together with Reports of Independent Auditors, for the Fiscal Years Ended August 31, 2017 and 2016

Presenters: Ben Kohnle, Juliet Williams from Grant Thornton, Rob Wendland, General Counsel and John Robertson, Chief Financial Officer.

Grant Thornton provided a presentation handout that showed an overview of the audit process.

Responsibilities:

Grant Thornton reminded the Board that we all have collective responsibilities as part of this process. Ben pointed out that audit responsibilities have not changed.

Audit Timeline:

Grant Thornton did a quick overview of audit plan presented in summer. Ben commented on the outstanding cooperation and communication with not just the

leadership team but everybody that has been involved. That includes collaboration of Rafael and his team in Internal Audit who performed a lot of the grant testing and the compliance. Grant Thornton will wrap up with the final audit work and deliverables in December 2017.

Materiality:

The audit process is ordinarily evaluated against relevant financial statement benchmarks. It comes down to two things Grant Thornton evaluates.

1. When looking at governmental organizations you tend to look at total assets and this is nonprofit organization or a public company. Generally, when looking at governmental organizations you tend to look at total assets as the benchmark. They believe that *Total Assets* is the relevant benchmark for the District.
2. Looking at the financial statement, Grant Thornton believes that *Total Expenditures* is the appropriate benchmark for the Single Audit.

Use of the Work of Others:

Grant Thornton pointed out that when reviewing pensions they look at conjunctions with the Committee and the Board.

1. Specialists: Grant Thornton has experts involved who look at reasons for those assumptions; also have the liabilities that determine how the disclosures are put together.
2. Internal audit: The audit team received direct assistance from the District's Internal Audit Department during the testing of the Federal and State Single Audit programs. Rafael and his team did a great job supporting the team. The work was reviewed and managed by the Grant Thornton engagement team.
3. Other Company Personnel or Third Parties: Additionally, GT utilized the service of staff from minority business firms, Serna & Co. and Owens and Thurman, during the audit testing, specifically related to tax and grant revenue, tuition and fee revenue, and debt, respectively. The work was reviewed and managed by the Grant Thornton engagement team.

Areas of Audit Focus:

The following provides an overview of the areas of significant audit focus based on our risk assessments.

- Areas of Focus: The areas of focus are listed in the handbook on pg. 10.
- Results: All balances were determined not to be materially misstated based on GT's audit procedures.

Results of Audit:

Details listed in the handbook.

- Unmodified “clean” opinion, not only of the financial statement but also expressed clean opinion of the Foundation
- No scope limitations
- No unresolved audit issues
- No audit adjustments
- Open and effective communications with management

Results of Single Audit:

Covered by Juliet Williams from Grant Thornton. The following provides an overview of the results of the single audit testing based on risk assessments.

There were three major programs audited. No finding of noncompliance was noted. On Higher Educating Institution Award, there was a recommendation. See table below:

Major Programs Audited	CFD Number	Results and Recommendations
Student Financial Assistance Cluster and Texas Grant	84.007, 84.003, 84.063, 84.268	No findings of noncompliance noted.
Higher Educating Institution	84.031	No findings of noncompliance noted. However, we recommend that management complete its review of allowable expenditures in a timely manner to ensure that any questionable costs are identified earlier, prior to the end of the fiscal year.
State- Adult Education Literacy	None	No Findings of noncompliance noted.

Results:

- Unmodified “clean” opinions
- No scope limitations

- No unresolved audit issues
- Open and effective communications with management

Internal Control Matters:

Comments made by Ben Kohnle. Since DCCCD is not a public company, no PCA will be required. The only time to internal controls will be required is in terms of testing and compliance, which is not in connection with a single audit and is not in connection with the financial statement. Everything here was positive.

Quality of Accounting Practices and Alternative Treatments:

Grant Thornton is required to comment on accounting policies of the District. They are considered to be reasonable and consistent with prior years. This was in connection to positive comments with accounting policies, accounting estimates, disclosures and other information in documents containing audited financial statements. These were all positive comments.

Value for Fees:

Deliverables reported on the 2017 financial statements, performed CDAA procedures and provided information that was more on disbursements and payroll information, provided all the details to management. The completion of the Data Collection form to connect for the single audit was also provided.

Commitment to Promote Ethical and Professional Excellence:

Grant Thornton is committed to promoting ethical and professional excellence.

Grant Thornton's Client Service Cycle:

It is important that the service provided is quality service year after year.

Questions and Answers:

Trustee Flores wanted to confirm that there were no findings: Yes, no findings of noncompliance were noted. Only one continues improvement observation as Julia mentioned. Trustee Ritter asked if there were any changes on a contract, would change orders be approved by the Board? The report is not that detailed, the focus of the audit is the of financial statement taken which is looked at as a whole. There is always continued improvement opportunities for policies and procedures and compliance.

John Roberts asked Pat Disbrow, District Director, Financial Service & Comptroller, to identify people who assisted with the audit. Disbrow recognized Betty Butler, Serena Huvler and Steve McDonald.

3. Presentation of 4th Quarter Report from Internal Audit for Quarter Ended August 31, 2017 and 1st Quarter Report from Internal Audit for Quarter Ended November 30, 2017

Presenter: Rafael Godinez

Rafael mentioned that two quarterly audit reports were submitted.

1) *4th Quarter Report ending August 31, 2017* included summaries of the following audits completed.

- CLERY Act
- Inventory of Fixed Assets
- Cash Counts

CLERY Act:

This is the reporting of the crime disclosures on campus, statistics of any criminal activities on campus as required by the law. The findings were minor since the District consolidated the seven police departments, each one was doing things just a little bit different in putting together crime logs, the emergency operation procedures, etc. The annual security report issued this year, has all items corrected. With one District police department, or public safety and security, procedures will be more consistent.

Inventory of Fixed Assets:

This included locations in the District and looked at a total of 473 items out of 26,000 plus. There were no major problems with the items that were selected for the sample. As you know, every year we have items that have been tagged as temporarily unlocated when the inventory is done. For those items that are unaccounted for, all of the locations were able to work those out and correct those.

The team followed up with the District Office and with the Bill Priest Center. For Bill Priest, numbers went from 39 to 9, they did find 12 of the items, another 18 were El Centro's emergency medical technician program, and only 9 items were reported lost or stolen. For the District Office, Dr. Lonon found 12 of the 19 items and 7 were reported as lost or stolen. These items were written off during the course of the year by location and by category of disposal. There were 1,164 total items that were disposed, roughly \$4,800,000, the majority of those were routinely replaced during the regular course of business where we replace assets that are of a certain age.

Trustee Ritter asked how the District gets rid of the surplus stuff even if it's useful? Raphael responded that a table would probably still be useful but a laptop after 5

years may not be as useful. There is replacement of a lot of computers with student labs, administrative computers; there's a cycle of replacement of those items. The majority of the disposed items are computers, laptops, notebooks, etc.

Trustee Zimmermann asked about original value, not after it is used for 5 years, because we've basically disposed of zero dollars since it isn't worth anything now. Rafael responded that some items may not be worth anything but provided a breakout of the majority of the 460 items that were 7 to 9 years old.

Trustee Ritter asked if we donated them or sold them? Raphael responded that it's been the longstanding practice of the District to use a salvage company that disposes of items and give us a percentage of the revenue.

2) *1st Quarterly report ending November 30, 2017* included summaries of the following audits completed.

- Law Enforcement Academy - Cedar Valley College
- Law Enforcement Academy – Eastfield College
- Public Safety and Security
- Special Request

Law Enforcement Academy for Cedar Valley and Eastfield:

There were no significant or material issues found in either of those areas. Cedar Valley had some instructor files that needed updating.

Public Safety and Security:

A number of files on police officers that needed proper documentation required by TCOLE. We got assurances from Chief Hill that those would be updated and complete by the end of this year. Internal Audit will follow up first of the year and ensure that this has taken place. The issue with the disposal of some duty weapons for police officers had to be rescinded because, as stated earlier, we don't sell any district property to employees or outside individuals. Trustee Zimmermann asked what happened to them? The weapons are being held, the disposal of them is to be determined.

Robert Wendland, General Counsel, Legal responded that they are bringing a policy to the Board after the first of the year with respect to disposal of that kind of surplus property. There might be a number of alternatives for disposing of weapons because of the unique nature of firearms.

Special Request:

The Chancellor requested to look at the compliance with the milestones

compensations program with faculty.

Raphael said it is important that we keep complying with the state record retention laws. In the past, they send reports of all the documents by microfilming and microfiche and that's still being done.

Trustee Williams, Audit Chair, asked committee members if they approved on moving the audit reports to the regular meeting for approval. Committee unanimously agreed.

4. Review of Audit Committee Notes for August 1, 2017

Meeting notes were reviewed and no changes were requested by the committee.

5. Review of Chancellor's Travel

Chancellor's travel report was reviewed.

6. Executive Session

Not required.

7. Adjournment

Committee Chair Williams adjourned the meeting at 4:11p.m.

COMMITTEE REPORTS NO. 5C-2

Education Workforce Committee Notes for February 6, 2018

An Education and Workforce Committee Meeting of the Board of Trustees of Dallas County Community College District was held Tuesday, February 6, 2018 beginning at 12:06 PM. This meeting was convened by Committee Chair Flores.

Board Members and Officers Present

- Ms. Monica Lira Bravo
- * Ms. Diana Flores (committee chair)
- Mr. Wesley Jameson (via teleconference)
- Dr. Joe May (secretary and chancellor)
- Mr. Philip J. Ritter
- Mr. JL Sonny Williams
- * Ms. Dorothy Zimmermann

Board Members Absent

1. **Certification of Notice Posted for the Meeting** was confirmed by the Chancellor May.
2. **DCCCD Enrollment Spring Update**
Presenters: Giles Hawkins, Programmer/Analyst V and Anna Mays, Associate Vice Chancellor, Educational Policy.

Head Count Comparison

12 days after term start, there was an increase in contact hours of 2.5% across the network. Trustee Flores requested additional information on the retention of those students that are enrolled in online courses. Mr. Hawkins will prepare a report for a future scheduled committee meeting.

Contact Hours, Subjects

Largest % increase in contact hours. Architecture is a new program at El Centro, which is why there is a substantial increase. Trustee Flores, was curious if this is a beginning course, or a field of study or a technical degree and does it lead to a four-year degree. Dr. Greg Morris of El Centro College explained that it was designed as a transfer degree.

Largest Decrease in Contact Hours. Developing Reading and Non-Course development reading, writing and math due to decreased offering of multiple levels of developmental courses, more integrated developmental reading and writing courses, and co-requisite developmental and college-level courses as required by the Texas Higher Education Coordinating Board.

Trustee Flores suggested that a narrative explaining enrollment increases and decreases would be helpful to include in future such enrollment reports.

For some program and course enrollments, there is not a clear understanding of why there has been a decrease (i.e., Nursing).

Dual Credit Head Count

Unduplicated dual credit enrollment has increased 19.7% across the network. Trustee Diana Flores said that we have a really good footprint with the Dallas County ISD Early College High Schools.

Dual Credit/Early College High School

Student Type	2017SP	2018SP	Change	Change%
Dual Credit	9,423	10,214	791	8.4%
Early College HS	3,372	5,096	1,724	51.1%
Total	12,795	15,310	2,515	19.7%

Headcount changed from 2017 to 2018. Percentage of total enrollment that is dual credit: Up from 17% to 21%. The total numbers are combined.

Trustee Flores commented that she remembers in the 2016 strategic planning session the Board indicated that they wanted to increase dual credit. Great accomplishment in 2018!

Student Demographics

Race/Ethnicity	2017SP	2018SP	Change	% Change
Hispanic	28,920	30,863	1,943	6.7%

Changed from 2017 to 2018. The biggest change was from Hispanics.

Changed from 2017SP-2018SP, at all of the colleges, students of Hispanic/Latino origin are up in numbers. The high schools that we are working with are predominantly minority and economically disadvantaged.

Changes from 2017 to 2018: Female vs Male, very little change.

Fall to Spring Retention Numbers

Will be addressed in future reports.

3. WorkReadyU: Moving Adult Education Forward

Presenters: Mark Hays, Vice Chancellor, Workforce and Economic Development, Gloria Smith, District Director of WorkReadyU

This program had less than 400 people enrolled originally and is now approaching 9,000, which is mainly due to Gloria's effort. She is truly doing some amazing things.

The Challenges Continue:

1 of every 4 Dallas County residents 18-64 years of age does not have a high school diploma or GED. The average annual median salary for individuals without a high school diploma is earning less \$20,607.

WorkReady Programs & Services:

Adult literacy is the foundation of this program because it serves students at whatever level they come to us, including individuals that score at second and third grade level. The program helps such students create a plan for further training to increase wage earnings. They also work with students at their level and help them transition to the next level by customizing plans for each student.

Associate Degree or Certificate					
Stackable Credentials	60 x 30 TX Individuals	Career Pathway Accelerated Opportunities	Soft Skills Adult Basic Education	College Transitions	GED ESL

Trustee Flores asked how many of the 9,000 students choose the accelerated pathway? Gloria responded that the number is very minimal (15 to 20%) because most participants come at such low levels and are not at an accelerated level. Every student that comes in the program is assessed to get a baseline assessment and know where that student is academically.

Goals – Update:

These are the same goals that were presented two and half years ago. They were very aggressive goals and have not changed in the past two years. In 2016-2017, the goal was to serve 15,000; we touched around 11,882 students.

Trustee Diana Flores asked where does the Adult Basic Education program fall? Gloria Smith responded that the ABE falls primarily under the *Continuing Education Program*. Every campus in the DCCCD has a Continuing Education Program.

WorkReadyU Cumulative Enrollment Goals

7/2016-6/2017	7/2017-6/2018	7/2018-6/2019	7/2019-6/2020
15,000 Enrollments	25,000 Enrollments	35,000 Enrollments	50,000 Enrollments

Diana Flores asked about the retention rate in the program. Gloria responded that ESL was probably 80%, high school equivalency (GED) was 30 or 40%. The average participant age range is 18-45 years old, with some older individuals taking advantage of the services.

Accomplishing these Goals and Work to Move Adult Education Forward:
(Marketing and Outreach, Adult Basic Education, Workforce Development Alignment, Community Engagement.)

Outreach – Strategies:

- 1) Has a team that does outreach for them not just attending community events
- 2) Creating partnerships and alliances with employers, community based organizations
- 3) Offer college courses in the community
- 4) Conduct orientations on site with the community
- 5) Expand the network to include other partners: Parkland, City of Dallas, Bank of America, DART, El Rio Grande Market
- 6) Working on community outreach at a Catholic Charity immigration empowering center
- 7) Have not tried mental health clinics yet, but is considering them
- 8) Working with Cedar Valley with the Federal prisons. Have enrolled about 55 students in Level 1 Certificate programs. They are taking logistics, HVAC and Automotive
- 9) Working with El Centro with the county jail

AEL Content Standards Alignment:

The state standards requires aligning content standard to the objective of the course. The district has identified an AEL Faculty Lead for each college campus.

The leads serve as instructional coaches for the full-time faculty at their college. Through observations they have given them tips and tools to keep up their instruction.

The committee kicked off this Fall with coaching webinars, a two-day faculty forum and continues to meet regularly to review. (Standardization of syllabi, instructor observations based on course objectives, skills gaps analysis of programs and resources, scope and sequences of ESL and HSE courses.)

Collaboration & Contextualization Completion of Certifications & College and Career Readiness:

The college has multiple business and community partners to help adult move beyond their current status. For example:

El Rio Grande Latin Market	Sheriff's Department
DCCCD instructional specialist teach ESL courses at the stores where the employees are paid to attend classes.	Jailers who have been working in the county jail system must take a test at the end of their first year of on-the-job training. Our instructional specialist worked with the sheriff's department to provide study tips and reading comprehension strategies to help all students pass their exams.

Trustee Flores asked if it is possible to identify two or three students to come and talk to the Board about their experience and the response was that it would be scheduled.

Some of the challenges they have is that they can't pay to take the actual high school equivalency exam. WorkReadyU is looking for options; they applied for grant funding so students don't have to worry about covering that expense.

Trustee Diana Flores asked if Gloria can provide the different certificate programs with an average starting salaries. Gloria said that she will provide this information.

(Patient Care Technician, Certified Nursing Assistant, Business Office System Support, DART Police Prep, Welding, Child Care Development, Plumbing, CompTIA A+, Dart Station Concierge, Entrepreneur and Bilingual Nurse Aid.)

This program aligns with 60x30TX Texas Higher Education Coordinating Board workforce goal.

Challenges to Success and Completion:

Identifying gaps and challenges to improve basic education. One of our challenges has been lack of adequate space for courses.

4. Industry Sector Update: Healthcare Industry

Presenters: Mark Hays, Vice Chancellor, Workforce and Economic Development

The health care industry makes up the largest sector by employment in the DFW area, averaging about 50,139 new hires each quarter.

Project OnRamp Increase Earning:

PCT Certificate: The average hourly wage for completers is \$14.50. That's a 25% increase in earnings from when they began.

Gender Pay Gap in Health Care:

"While nursing is a premier earnings profession among women, a gender wage gap persists; male RN's earn more than women RNs at every education level."

Incremental Wage Gains for Program Graduates:

Wages increase with higher levels of educational attainment. Organizational practices for employee skills improvement and upgrades: College and university are at the bottom of the list. They are not turning to us for skills and are going to other providers.

Stackable Credentials:

A survey of 1,500 employers in the region regarding stackable credentials resulted in 72.7% reporting that they do not recognize the term. A stackable credential includes a sequence of credentials that can be accumulated over time to build up an individual's qualifications and help them to move along a career pathway or up a career ladder to different and potentially higher-paying jobs.

Retention:

Best practices to move student through the CNA - PCT pathway. *Encourage consistencies across the district.* Not every college offers EKG and Phlebotomy every semester.

Inform and educate students about the pathway timeline through advisors.

- Lab component of the PCT program requires three immunizations that are costly and include a one-month period in between immunizations.

- The immunizations are currently a significant obstacle for students to complete the program.
- Many students do not pass background checks; they need to be educated on the requirements to enter the workforce.

Civilian Labor force growth vs inflation:

The biggest risk of all deflationary demographics.

The labor force growth is going to drop by 2022--we are going to flat line. There is no more civilian labor growth. It will go to negative territory 2023 or 2024 with no change in immigration policies.

DCCCD Efforts in Integrating Primary Care and Behavioral Health in Curriculum:

- Metrocare Services (a Dallas County mental and behavioral health provider) is one of our industry partners.
 - Metrocare partners with Conrad P-Tech and Richland College is the career pathway towards nursing and premed studies.
 - Partners with North Dallas P-Tech and Brookhaven in the Health Information Technology Pathway.
 - Provide students with engagement, awareness, mental health training and career preparation.
- Brenda Loya, Heath Careers Resource Center Director, has represented DCCCD at several Community Conversation Healthcare series events hosted by the Alzheimer's Association. Trustee Ritter connected DCCCD to the Dallas Chapter in an effort to integrate brain health into DCCCD curriculum. The Mental Health Coordinator from Mountain View's nursing program also attended the series.
- DCCCD nursing programs have integrated mental/behavioral health modules and learning objectives.
- Eastfield College integrates course content related to behavior health within its Social Work and Substance Abuse degrees (15-18 credit hours). Joyce Williams, Associate Vice Chancellor and Mike Walker, Executive Vice President are currently conducting programmatic environmental scanning and research on integrating clinical experiences within existing programs, as well as new programs specifically related to mental health. In addition, El Centro offers the certified Health Care Worker Program through Continuing Education which is inclusive of opportunities for students to intern with local mental health agencies.

- Texas Community College Programs (Mental Health Specific) include Tarrant Community College (Northeast Campus), McLennan Community College and Alvin Community College.

What About the Future? Emerging Occupations in Healthcare:

1. Medical Robotics: *Tele surgery, robot technician, robot companion technician*
2. Artificial Intelligence Developers and Technicians: *Assist and possibly replace some doctors in making diagnoses and treatment options.*
3. AI Medical Chat Bot Designers: Chat with bot utilizing AI technologies.
4. Lifestyle Strategist/ End-of Life Therapist
5. Medical Scribe
6. Medical Drone Route Designers
7. 4D Printing Technician: *We will be able to print human organs*
8. Custom Implant Organ Designer: *Your liver is not the same size as mine*
9. Cryopreservation Specialist: *Tissues and organs*
10. Health Specialties Professor

Labor force Opioid Abuse:

The issue of widespread opioid abuse is impacting the labor market. There is a Congressional committee forming on Opioid substance abuse disorders and the community college perspective may be important.

Texas Local Government Code, Chapter 176, provides that local government officers shall file disclosure statements about potential conflict(s) of interest in certain defined circumstances. “Local government officers” are the chancellor and trustees. The penalty for violating Chapter 176 accrues to the chancellor or trustee, not to DCCCD.

3. **Citizens Desiring to Address the Board**
No speakers.
4. **Comments from the Chancellor and/or Trustees** which may include Acknowledgements, College Updates, Legislative Considerations, Business and Industry Engagements
 - A. Chancellor's Updates
 - Chancellor May thanked Christa Slejko and her team for coordinating the first of our college tours today at North Lake College. Campus tours will be hosted on board days until August, the next being Cedar Valley in March.

- Dr. May gave a legislative update, highlighting the following topics:
 - On January 24, he travelled to Washington DC to testify before the Senate Health, Education, Labor and Pension Committee regarding the Higher Education Act. During the testimony, he shared the need for the short-term Pell, the need for improvement of the nation's data collections system and DCCCD's work with the Dallas County Promise. He was also able to meet with several senators during his visit.
 - While in Austin, Dr. May met with Governor Abbott's new chief of staff, Luis Saenz, with whom he discussed the non-funding formula as it relates to small business development centers. Due to nearly losing this funding in the last session, Dr. May plans to work closely with the governor's office to prepare for the 86th legislative session and address this issue.
 - Amid ongoing concerns regarding DACA, Chancellor May stated that there are several meetings and talks occurring, and the impending vote in the house regarding government funding, but it is unclear what will happen. He expressed his hope that the DACA issue will be resolved soon, but that in the meantime, he wants to reassure students they are welcomed at DCCCD to achieve their education goals.
 - Chancellor May thanked Trustee Monica Lira Bravo for her undertaking of communicating with DACA students and their families. She has hosted several successful forums at Mountain View, Eastfield, and Richland Colleges with the assistance of Isaac Faz and Esther Canales in Outreach.
- Chancellor May congratulated Anita Gordy-Watkins (Workforce and Economic Development) who received the Corporate Executive Diversity Award for outstanding work for Global Diversity, bestowed by the Greater Dallas Asian American Chamber of Commerce.
- Dr. Eggleston was also recognized for Richland Collegiate High School's being named by TEA Commissioner of Education, Mike Morath, as one of the 20 school systems in the state of Texas, including DISD and Sunnyvale, selected to participate in the pilot to develop its own academic accountability system - established by the house bill 22 during the 85th Texas legislative session. In addition, Dr. May congratulated Richland College's music department for receiving accreditation by the National Association of Schools of Music.
- Chancellor May gave an update on the College Promise campaign's tremendous success – including a 97% pledge count. The effort has increased FAFSA submissions by 8%. He recognized the many departments within the colleges, the District outreach team and Dallas Commit for their combined efforts in this undertaking.

B. Trustee Comments/Questions

- Trustee Bravo thanked Eastfield and Richland Colleges for hosting DACA workshops and Cedar Valley College for the invitation to hear Fred Gray speak at the Dallas County Promise Leaders' Breakfast.
- Trustee Flores commented on the following items:
 - She saw a posting on her Next Door (neighborhood app) by an Oak Cliff resident and Mountain View College graduate, that she was having difficulty finding job. Ms. Flores sent her information to President Garza and within one week, Tanya Tillman in Career Services reached out to her and she landed a well-paying job.
 - She shared her attendance at the BankWork\$ career training program at Mountain View College, sponsored in part by Wells Fargo. She spoke a little about the program's benefits to students and congratulated Mountain View for their partnership.
 - She asked if the search for Eastfield was internal as well external. Chancellor May thanked her and stated that he would have that conversation with the search team.

C. Committee Reports - Informative Only (No Action Required)

- 1) Education Workforce Committee Notes for November 7, 2017
- 2) Finance Committee Notes for December 5, 2017

5. Opportunity for Members of the Board and Chancellor to Declare Conflicts of Interest Specific to this Agenda

None.

6. Consent Agenda

A. Minutes

- 1) Approval of Minutes of the November 14 and December 5, 2017 Work Sessions
- 2) Approval of Minutes of the December 5, 2017 Regular Meeting

B. Policy Items

- 1) Approval of Amendment to Policy Concerning Compensation and Benefits – DEA (LOCAL)

Trustee Flores stated she was curious about why a faculty member might choose the salary base adjustment instead of the annual stipend.

- 2) TASB Cumulative Update 32- Part I

Trustee Zimmermann asked for clarification on whether things were deleted or just moved. Tricia Horatio explained that in the explanatory notes with the policy, that they were deleted – but relocated to new policy codes.

Trustee Zimmermann mentioned where the wording regarding permits for use states “may not be renewed”; she felt it should be “WILL not be renewed”. Tricia pointed out that they used discretionary language to allow for extenuating circumstances that might arise in which they may want to renew a permit for a reason, in lieu of the actual violation for a policy or one of the rules above it. Also, Tricia stated that they are allowing for flexibility when a minor violation doesn’t merit a revocation of the permit.

3) TASB Cumulative Update 32 – Part II

Comments from Trustee Flores

She asked who is the records management officer for the district and Tricia answered Patrick O’Callaghan, and confirmed that he reports directly to John Robertson. Ms. Flores then asked what was the records control/retention schedule.

She referred to the flying of drones on district property and asked who does one go to for permission to fly a drone. Tricia stated that regulations are being developed that are specific to where and at what altitudes drones can be flown, as well as for what purpose. Rob Wendland added that regulations have been finalized with respect to the educational use of drones – for example, Mountain View College is going to have a drone program with the involvement of risk management personnel and the FAA.

She asked if there is a separate policy that speaks to those NOT under contract, with regard to suspension. Tricia stated that yes, there is a policy for individuals who are not contracted employees.

She asked if the board could be provided with where the testing centers are located and when they were last designated by the Board. Tricia affirmed that she will provide that information.

Comments from Trustee Zimmermann

Stated that, pertaining to the rule against distributing obscene non-student literature, she is reminded of a recent play put on by Eastfield College which she felt was obscene, and so asked who is the judge of what is considered obscene. Ms. Zimmermann also mentioned the policies about

materials containing defamatory statements about public figures, and imminent lawlessness. She stated that the District's own publications cast questions upon these rules and gave examples. Rob Wendland stated that the policy describes reasonable time, place and manner restrictions, which they feel these examples represent. Rob stated that they will not answer the question of what is or isn't obscene, but are guided by the law and recommendations of the TASB, as to whether or not to impose these rules, while carefully allowing for students' rights to free speech.

Comments from Trustee Ritter

Stated that there is nothing about the digital world in this policy, so how is this handled? Rob answered that we do have policies in the student code of conduct with respect to appropriate expression in the digital world, just not in the policy on the current agenda. He added that it is addressed in the student handbook. Rob and Tricia mentioned that developing a social media policy is being discussed and that when they develop this policy, they are guided by the restraints inherent in the right to free speech within reasonable measures.

C. Financial Items

- 1) Approval of Agreements with Omniplan Incorporated Architecture, Inc., CSRS and Stravis for District IT Equipment Room Upgrades to Support Police and Public Safety and IT Infrastructure Initiative
- 2) Approval of Additional Services for Omniplan Incorporated Architecture, Inc.

Trustee Flores asked why 6C-1 is separate from 6C-2 since is such a minimal cost to 6C-2. John answered that it is a separate contract with Omniplan to develop prototypes, and the latter project must be finished before the former can start. To that point, Ms. Flores asked if it is possible to do that for IT projects in order to watch its progress.

Chair Compton asked why the whole \$93 million cannot be approved at once instead of small contracts or as "piecemeal". John explained that design has to be done before they can go to bid and they don't want to state cost before actually can know the final costs.

Trustee Ritter expressed the need for a little more explanation such as a legend or some refinement to help the board understand the whole puzzle. John explained more, addressing concerns over time-lines and funding of projects, such as IT. He stated that it doesn't make financial sense to issue a large sum in revenue bonds and have it sit in the bank while the project

is still in progress, instead of waiting to pay the debt service when we are able to enjoy the benefits of the projects.

He and Tim gave more clarifications on numbers and how costs are reflected in these contracts.

- 3) Approval of Amendment to Interlocal Cooperation Contract for the Urban Land Bank Demonstration Program of July 2004 with the City of Dallas, County of Dallas, Dallas County Hospital District, Dallas Independent School District and Dallas County Schools District.

Trustee Zimmerman asked why Dallas County Schools is listed in this entity but is going away, and John Robertson clarified why they are included.

- 1) Approval of Memorandum of Understanding (MOU) with Participating Local Governments (including DCCCD) and Dallas County to Participate in the Urban Counties' Criminal Justice Techshare Juvenile Program

To Ms. Flores' question of what age is an individual considered juvenile, Chief Hill answered under the age of 17.

FINANCIAL ITEM NO. 7B-1

Approval of Agreement with the Council for Adult and Experiential Learning (CAEL) for services related to developing a district-wide policy on Prior Learning Assessment (PLA)

- Purpose:
- Provide the District with current-state analysis, best practice standards and gap identification to establish a consistent prior learning assessment program across the DCCCD.
 - Assist the District in policy development to award prior learning credit to students which will greatly enhance the Board's strategic priority of meeting 60x30TX goals.
 - Encourage students awarded credit for prior learning to explore further college coursework and skills attainment.
 - Recognize the value of prior learning in the lifelong education process and rewarding that experience with college credit.
 - Train District faculty and staff to ensure quality, consistency, and successful deployment of a PLA program.

The Chancellor recommends that authorization be given to approve an agreement with CAEL in the amount of \$82,000 to conduct an Adult Learner 360 survey of the colleges and adult learners in order to provide PLA foundations and awareness training for selected college staff. CAEL is considered a sole service provider.

Background:

Prior learning assessment (PLA) allows students the possibility of earning college credit for work and other life experiences. PLA recognizes that learning occurs not only in the classroom, but also through paid work, volunteerism, public service, and other experiences. Currently, there is no uniform policy that is available to guide DCCCD colleges in assessment of prior learning. Many current and potential students could benefit and be motivated to further their education if credit is awarded for prior learning. For example, veterans are a prime population that could receive college credit for prior learning. There are nearly 100,000 veterans residing in Dallas County; however, for the Spring 2018 semester only 1,834 are enrolled in DCCCD colleges. Implementing a uniform, user-friendly PLA system could generate thousands of credit hours for veterans and generate significantly more enrollments into DCCCD colleges. The funds requested will be utilized by CAEL to:

- Deliver an Adult Learner 360 survey that contains an institutional self-assessment and an adult learner questionnaire. The results are provided to DCCCD utilizing the Ten Principles for Effectively Serving Adult Learners

and reveal institutional strengths, challenges, and disconnects. CAEL will provide recommendations that promote strengths, improve on challenges, and examine disconnects. Once the data is gathered and analyzed, CAEL will meet with DCCCD staff to review the results and assist with laying out a plan of action on how to improve services to better meet the needs of today's adult learners

- PLA Foundations and Awareness training will involve training college staff on:
 - History of PLA: to the student, the institution, and the community
 - History of PLA and its context, particularly in the current climate of competency-based assessment
 - Data to support PLA and its value
 - Quality assurance standards for PLA
 - Guidelines for the development and implementation of a PLA policy and practices
 - Advising and the intake process – the integration of PLA into advising and recruitment

It is further recommended that the Chancellor or his designee be authorized to execute contracts for this award.

If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Elections Department for the conduct of the elections listed in this Election Services Contract.

The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision. If the ballot, candidates, or propositions supplied by the Participating Political Subdivision are changed after their initial printing by the Elections Administrator due to a court order from a court of competent jurisdiction, the affected Participating Political Subdivision(s) agrees to pay all expenses associated with re-printing and re-programming the ballots pursuant to a court order including expenses for expedited services and "Attachment A" will be amended by the Election Administrator.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per polling place and the allocation of election day tabulators (hereinafter "M100's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of polling places. A "Polling Place" will be identified by and defined based on the presence and number of M100's and/or Election Supply Carts ("ESC"). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as specified in "Attachment A."

- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."
- d) The Elections Administrator will determine the final election expenses to the extent practicable within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. - e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Elections Department for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

The Dallas County Elections Department will place the money deposited by the Participating Political Subdivisions in a Joint Election account.

A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this

Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this Election Services Contract for such Participating Political Subdivision.

- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing.
- d) If a Participating Political Subdivision withdraws completely from this Joint Election by **Friday, February 23, 2018**, or, by **Friday, March 9, 2018** for Special Elections, then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this Joint Election, deposits will not be refunded to the Participating Political Subdivisions.
- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions do not appear on the ballot for that Participating Political Subdivision.

The day after the early voting period ends, the Elections Administrator will deliver to each Participating Political Subdivision, a Daily Early Voting Roster by precinct report that includes the entire Early Voting period. - c) The Elections Administrator will bill any Participating Political Subdivision that withdraws from this Election Services Contract for any expenses incurred prior to the Elections Administrator receiving copies of the certifications and declarations that are required under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code.
- d) If there are any withdrawals from this Joint Election, within ten (10) business days after the deadline for Participating Political Subdivisions to make declarations under Subchapter C or Subchapter D of Chapter 2 of Title 1 of the Texas Election Code, said deadline being **February 23, 2018** the Elections Administrator will amend the attachments to this Election Services Contract as appropriate and provide updated copies of the amended attachments to all of the remaining Participating Political Subdivisions.

- a) The Dallas County Auditor will conduct a review of the deposits and expenditures related to this Election Services Contract before the Final Bill or Refund is submitted to the Participating Political Subdivisions. Refunds will be submitted as soon as practicable.
- b) The Participating Political Subdivisions may request a financial audit of the Final Bill or Refund or dispute the Final Bill or Refund under this Section, if: 1) the Final Bill exceeds ten percent (10%) of the amount of the Participating Political Subdivision's initial deposit as required in "Attachment A" to this Election Services Contract; or 2) the accounting accompanying the Refund is ten percent (10%) less than the amount the Participating Political Subdivision determines, should be refunded, after its good faith review. The request for a financial audit or dispute must be done in accordance with Section 17 (d) below.
- c) Should the events in Section 17 (b) occur, in lieu of an audit or dispute, the Participating Political Subdivision may make a request that the Elections Administrator ask the Dallas County Auditor to review the cost allocation methodology for the Participating Political Subdivision's Final Bill or Refund ("Review Request"). Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final

Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.

- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Elections Department under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.
- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding

resolution of the dispute.

- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

CONSIDERATION OF BID NO. 8A-1

RECOMMENDATION FOR AWARD
COMPENSATION PLAN EVALUATION SERVICES
SUBSCRIPTION AGREEMENT, DISTRICT OFFICE
APRIL 7, 2018 THROUGH APRIL 6, 2019

RECOMMENDATION FOR AWARD:

PAYSCALE, INC.	(one-year estimate)
	\$100,000

RENEWAL

Purpose:

DCCCD Talent Central has been working with PayScale, Inc. since 2015 to assist in reviewing compensation policy. This bid is a contract renewal to continue consistency for benchmarking purposes across the District. PayScale, Inc. is also used by Dallas ISD, Parker University, Baylor University and Texas Women's University among others, which allows comparable measures in compensations across the local market with other similar institutions.

Background:

To support the Board priority of Employee Success, this award will provide a single source to Talent Central for reviewing compensation policy. PayScale will assist in the identification of key competencies and benchmarking by providing a dynamic survey base with multiple salary considerations and working to provide the clear communication needed to ensure understanding of compensation at the institutional level, as well as the supervisor and employee levels.

Compensation can be a barrier to success when it is not based on systematic review, updated with market data, maintained consistently and communicated clearly. Therefore, ongoing efforts are being made in DCCCD's Talent Central to achieve these goals. PayScale will continue to provide national expertise and access to a variety of competency and compensation factors to make appropriate decisions on new job descriptions and salary placement throughout the year, as well as in the annual review and update of the overall philosophy and schedules for the District.

Comments:

This award is for authorization to purchase a one-year renewal subscription service from PayScale, Inc. for compensation plan evaluation services. PayScale, Inc. has been determined by DCCCD staff, as well as other higher education organizations, to be a sole source provider due to its combination of market data, software, consulting services, ability to customize to our specific needs, and provisions of full service and support. PayScale, Inc. will evaluate our current compensation and position classification information, assist in the development of an implementation strategy, assist in the materials development and communication necessary to introduce the revised compensation plan to the District managers, and provide the needed implementation training, ongoing check-up and review.

The cost estimate is based on a cost of \$25 per full time employee, annually with a 25% discount as a result of continuing the existing contract for an additional year.

It is further recommended that the Chancellor or his designee be authorized to execute these contracts.

Presentation of Rainy Day Fund

The Chancellor presents the District's Rainy Day Fund report for review.

The following chart indicates the dollar amount in the fund as well as the number of months of operation covered by the fund. The District maintains approximately four months of annualized expenses. Each college maintains approximately one month of annualized expenses. The Rainy Day Fund will only be accessed in case of extreme financial emergency as agreed upon by the Chancellor and the Chief Financial Officer and approved by the Board of Trustees.

According to the Board policy on Rainy day fund BAA (Local) Management of College District Funds, item 3: The College District will maintain a prudent amount of un-designated fund balance – equivalent to not less than four and not more than six months of operating expenses – to ensure continuity in case of catastrophic loss and to maintain the most favorable credit ratings for financing debt.

INFORMATIVE REPORT NO. 9I

Submission of Annual Racial Profiling Reports

In compliance with the state racial profiling law, DCCCD Police Department is required to submit an annual report to the Board of Trustees, in addition to submitting it to the Texas Commission on Law Enforcement Standards and Education (“TCOLE”). These reports contain data that was gathered from stops made by campus police in their police vehicles during the 2017 calendar year. There was a 35% decrease in total citations compared to 2016. The decreases were seen at Brookhaven, Cedar Valley and Mountain View. The decreases surround the transition to a standardized citation and increased focus on delivering more community programming and services. Cedar Valley’s overall citations decreased by 38; they did not issue any citations for traffic violations during this reporting period. Reasons for the decrease were related to the transition to a standardized citation and officers utilizing discretion by giving warnings instead of issuing citations.
